Their Excellencies reign is coming to an end:

This coming Egil's will mark one year until we step down as your Baron & Baroness. We will have reached our six-year maximum, and though we love the job, we must give someone else the opportunity. If you are interested or just thinking about it, we would encourage you to talk to us and consider shadowing us at upcoming events so you can get a complete picture of what the job requires. We will start the formal process of selecting heirs at Egil's.
