

Greetings!

We hope this letter finds you well, in good spirits, and ready to tackle the tail end of Tourney Season!

This month Ayla and I will be attending Sport Of Kings – please do contact us if you'd like to camp with us for this event. We'll also be attending the August Baronial Bevy on August 11<sup>th</sup>, graciously hosted by Murchadh and Avina at their home in Dexter – one and all are invited to spend a day reconnecting and relaxing, working on projects, fighting, eating, making music, and enjoying the company of friends. Keep an eye on the Adiantum Facebook page for full info on this month's Bevy, and we hope to see you all there.

We have Event Stewards for Egil's 2020 – many, many thanks to Durin, Tessina, and Tadgh for stepping up to run the show next year – that is truly an All-Star team, and we're very much look forward to working with them over the coming months. If you would like to volunteer in any capacity for Egil's 2020, please reach out to them directly – we really do need “all hands on deck” for all of our events, but especially for Egil's every year – the scale of the event can overwhelm the staff pretty easily. Please do get involved – if everyone in the Barony donates a couple of hours of their time over the course of the event, it makes a very large impact.

Plans for Bear And Apple Championships (October 18-20), in conjunction with the Kingdom Heraldic and Scribal Symposium, are proceeding as well. This will be hosted at Grove Christian Service Camp in Dorena, OR. Viscountess Elizabeth Turner de Carlisle is the event steward for this event – again, please do reach out to her for opportunities to volunteer for this event.

At Bear And Apple, there are a total of 3 Adiantum Championships up for grabs (Heavy Combat, Thrown Weapons, and Bardic). We would like to encourage any and all to vie for these titles – no restrictions on residence are in place. If you plan to compete for any of these Championships, please do declare your intent to us via email ([adiantum.coronet@antir.org](mailto:adiantum.coronet@antir.org)) or in person.

In closing, we'd love for everyone to keep Yseult and her sister Sharon in their thoughts ...they're both walking a long and rough road, and every little bit of goodwill has the potential to help. Yseult...your family is here, and we're thinking of you.

Yours, as always, in service,

Evan Dunbar, Baroun Adiantum

Ayla Roth, Baronin Adiantum
