Old Business

- **Polling for the Baronial Heirs:**

Polling Letters have been mailed out.

- **Mid-winter's Feast:**

- **Elmira High School Demo:**

- **Birthday Bash:**

- **Egil Skallagrimsson Memorial Tournament XLV:**

Meeting: I will organize an Egils meeting in the next week or two, which I will attend via telephone. I'd like to get folks together and talking about the event because we will inevitably surface details that need to be attended to, and we can coordinate our efforts better if we're all together.

Infrastructure: toilets, water and dumpsters are arranged for.

Katherine Fox is making the stands for the new archery targets.

While Kirby has donated the frame for a new gate pavilion, no one has volunteered to make the rip-stop cover for it. We may have to make do with the current gate pavilion, which is showing evidence of fraying along the ridge pole.

If thrown weapons wants a backstop of some sort to prevent overthrow, someone will need to take charge of that and make it happen. Or we can set up as we have been for the past few years without one.

Have the iron stakes (for the list field) that needed repairing been sent to Ulfhedinn for repair?

Pre-registration & camping requests: Margaret has agreed to receive the pre-reg forms and fees, depositing the fees and making a data base of the information from the forms. This will become the pre-reg gate list. I have created the pre-reg form and the lands reservation form, as well as text for the event and kingdom calendar web pages. I'm just waiting for final approval from Murchadh (Land Master) and Margaret (Exchequer) before I send the material to Thorsteinn for posting on the Baronial web page.

Stamps for site token bags: Alan and Johanna are in the process of carving the stamps. Once those are done, Alys will organize the stamping of 1200 muslin bags. In May we will buy spices and put them in the bags.

Lynx Hollow work parties: These are scheduled for Saturday, April 6 (Corvaria's All-Fools event is scheduled for April 7) and May 18 (May Crown Tourney, weekend before Egils). Murchadh has volunteered to head up the April work day. The focus will be on widening the archery, thrown weapons and Norse stick ball areas, including potential camping areas near archery, plus keeping the clearings in the woods between parking and site that we cleared last year open enough for camping again this year. We will need the stairs from the SW end of Merchants' Row down to the lower picnic table area restored with new sand bags. The Parks Dept. agreed to repair the picnic tables.

Classes: Alan Bowyer has been actively recruiting teachers. We probably have about 20 classes so far.

Court & Vigils: I have been in contact with the Crown Head of Retinue, Attia, and we agreed that there will be a Royal Court on Saturday, late afternoon or early evening, at which TRM will invest the new Baron and Baroness and knight Turk. His vigil will be Friday evening. Vesta's vigil will Saturday evening, and there will be a short Royal Court at 9:30 or 10 am Sunday for her elevation to Laurel (right before the Egils double-elim. tourney).

Competitions: I will be recruiting judges for the competitions that require them. Volunteers and suggestions are welcome.

I will need copy in the next couple of weeks from the various Marshals-in-Charge (heavy, rapier, C&T, archery, thrown weapons) that I can use to put on the event website and advertise the competitions.

Prizes: The complete list of prizes so far is at the end of this report. One missing piece at this point is a frame for the Norse tent that is to be the Three Pillars overall prize. It's fairly simple to buy the wood and put one together. Panther recommends measuring off the actual tent when making the frame to be sure that it fits. The canvas tent is at Yseult's house and could be picked up by whomever could undertake this task. Failing that, we could give just the tent canvas as the prize. I have tentative prizes for Decorated Useful Object and the overall Thrown Weapons Tournament but am open to other suggestions.

If there are other things that you can think of that I haven't addressed here, please message or email me.

Respectfully submitted,

Yseult of Broceliande

Officer Applications:

We have several vacancies and others that are coming due for extension or replacement. Please be aware of your warrant status and don't wait until you are 6-9 months out to announce the need for a replacement. If you are interested in Youth Combat or Family Activities, there is a background check requirement. Please announce your intent for either of these early so we can get that process started.

Officer Reports

- **Arts & Sciences – Alan Bowyer:**

May it please the court:

Arts and Sciences met twice in the Month of March, on the 5th and 19th. Good turnout both nights.

Many projects were there to see: Sewing, knitting, weaving, pewter casting, stamp making and arrow fletching. No funds were spent, no injuries reported. There will be a thing makers session tomorrow, and further A&S nights April 2nd and 16th.

- **Exchequer – Margaret Alexander:**

- **Herald – Lucius von Bamberg:**

- **Gold Key –**

I received a donation of clothes and hats from Viscountess Telisia at Saturday's Baron/ess Candidates Meet&Greet. Thanks!

Still need to turn in the receipts from the two storage bins I got at CostCo almost two months ago (see last month's report; \$13.98 total), and get together with our Chamberlain to see if the Gold Key pavilion fabric fits in one of them...

I've been asked to bring some Gold Key to Coronet next month, but since it's indoors (fairground site), I won't need to bring a pavilion (which is good, since I won't have time to unload all the convention gear and make room for that much SCA stuff in the van...).

Nothing else to report this month. Unless the snow's off the roads by this evening, I'm going to skip Council tonight; sorry!
